

Sukkos is Coming!

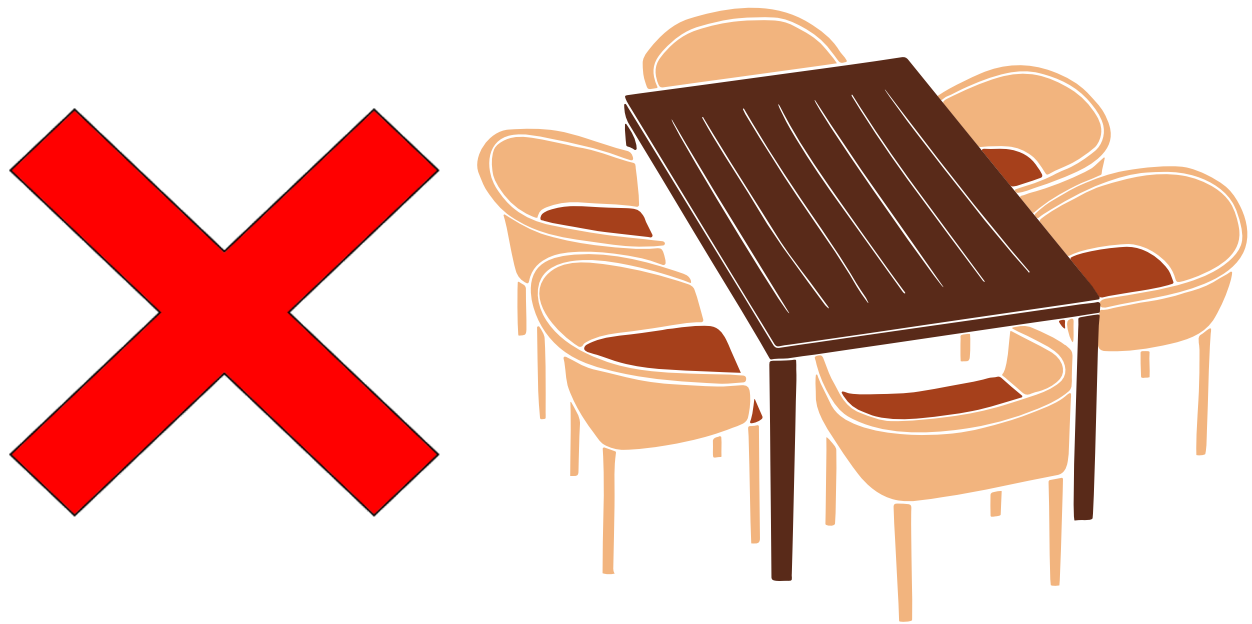

I won't go to school on Sukkos.

I will stay at home with my
family, just like I do every
Shabbos.

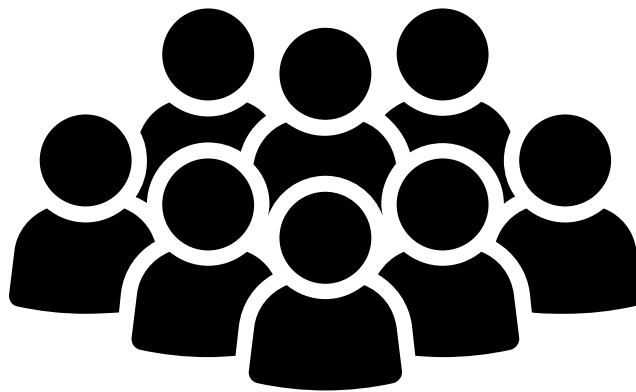

We will not eat the seudos in the dining room.

We will eat the seudos in the sukkah.

It might feel a little cold or a little hot in the sukkah.

There might be a lot of people sitting close together in the sukkah.

If I don't like the sukkah, I
can ask Tatty or Mommy if I
can go inside.

It's a mitzvah to shake the
lulav and esrog on Sukkos!

I can hold them very carefully
and shake them just a little
bit.

I will not throw the lulav and
esrog.

There are lots of things I can do
on Sukkos!

I can:

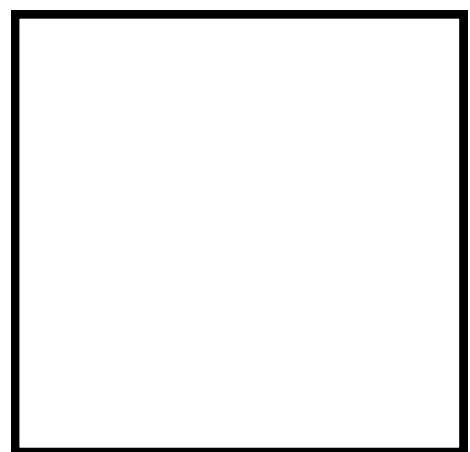

Read books

Play with my
toys

Go to the park
